**Ranelagh Primary School****Extension and refurbishment**

A new build two storey 600m<sup>2</sup> extension and internal refurbishment works to the existing Victorian building at Ranelagh Primary School in Newham including; ground resurfacing and the repointing (brickwork).

The new build extension provides a much needed new entrance and additional space for a nursery and staff resource areas, plus new studio area at 1st floor level and extends out into the playground that fronts the school. The Nursery and Reception have brand new classrooms and playground facilities, the main office and reception has been renovated with a modern design, and kitchen and lunch hall relocated. A dance studio and drama suite have been installed on the mezzanine as well as a rooftop terrace area.
